I am totally apposed to the acquisition of the EJE Railway Co. by Canadian National Railway Company because of their absurd plans to increase rail (freight) traffic in the community of Barrington. This plan would totally destroy the character and economic vitality of our community. It is also very unsafe as one of the railroad crossing is very near our high school - student traverse up & down to and from school! Our traffic congestion is already bad - I can't even fathom this proposition!!!
